01 Executive Summary

This report documents evidence of above-face-value resale for the BTS WORLD TOUR 'ARIRANG' IN BANGKOK concerts to be held at Rajamangala National Stadium, Bangkok. Across 1,041 evidence records, a total of 1,438 tickets were documented as listed for resale above face value, generating a total documented overcharge of ฿30,763,201. The median resale price was ฿24,000, with prices ranging from ฿4,500 to ฿175,000.

02 Overcharge by Concert Date

Documented overcharge increased progressively across the three concert dates. 6 December 2026 was the largest day by both count of tickets listed for resale (633 tickets) and total documented overcharge.

CONCERT DATE	EVIDENCE RECORDS	TICKETS LISTED FOR RESALE	TOTAL OVERCHARGE (THB)	AVG PER TICKET
3 Dec 2026	251	329	฿7,075,317	฿21,637
5 Dec 2026	351	476	฿9,507,048	฿20,401
6 Dec 2026	426	633	฿13,839,536	฿22,037
Total	1041	1,455	฿30,763,201	฿21,143

2a Overcharge by Date and Face Value Tier

Stacked bars use the official seat-map tier colours from the resale evidence website, showing each tier's contribution to total overcharge per concert date.

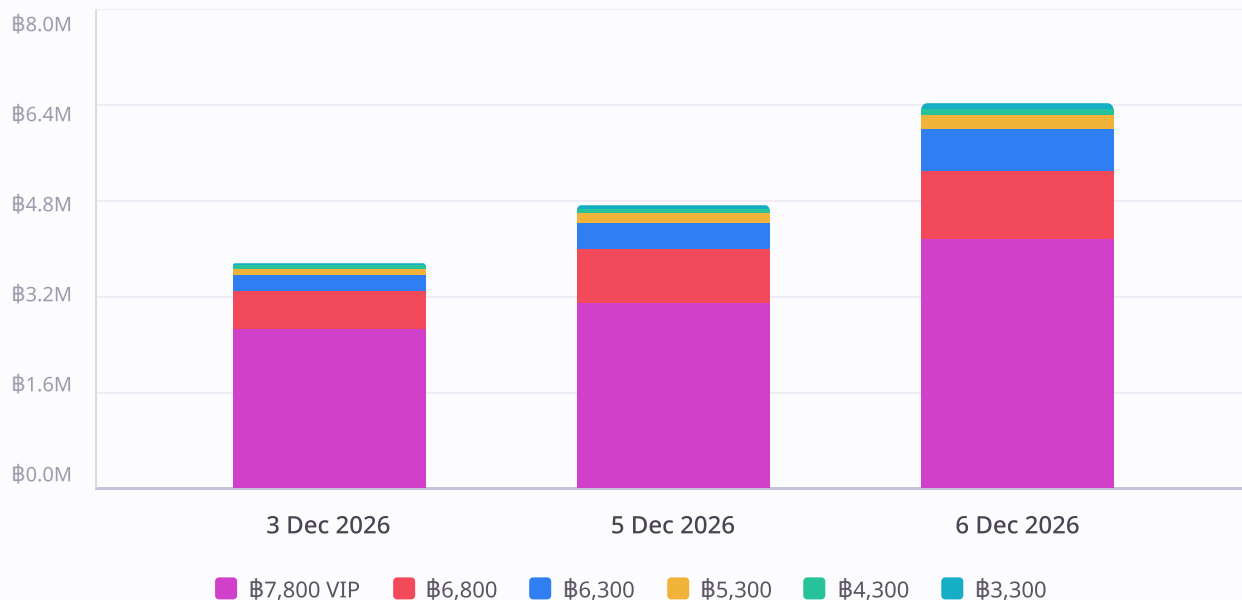

Figure 2. Overcharge by concert date, stacked by face value tier (seat-map colours).

03 Overcharge by Seating Zone

Bar colours correspond to each zone's face value tier from the Rajamangala seat map. VIP V-series zones (฿7,800, magenta) dominate with the highest documented overcharges, reflecting their premium pricing and strong demand on the resale market.
